Subject: SEC documents

Jeff:

I have an additional project relating to the SEC depo. SEC has not produced documents other than a handful of org charts. I see a lot of SEC employees' names in the e-mails contained in the SEAI production and I want to ask SEC to produce their documents. Is there an easy way to retrieve the SEAI documents in which these names appear (to, from, cc)? I have listed some of the documents below but would like a full list. I imagine you could do a name search? Also, could you do a search of these names in the SDCRT document file? Unlikely, but I would love to see their names come up! Finally, do you know if there is a way to retrieve the names of people identified in SEAI e-mails (to, from, cc) if we do not have the names (I doubt it but don't know for sure).

Thanks!
